A heartfelt thanks to the Zonta Club of Hamilton 1 for their generous support of the CCASH Be Well Program—a transformative initiative that helps girls aged 12 to 16 in our care, navigate mental health challenges and build resilience.

Thanks to their donation, the program was able to provide direct support to 10 girls in 2024, promoting emotional well-being and laying the foundation for brighter, more hopeful futures.

DID YOU KNOW...

MAY IS LEAVE A LEGACY MONTH!

Legacy gifts help provide stable, long-term support for children, youth, and families—funding programs like post-secondary bursaries, emergency support for foster families, and enrichment opportunities that would not be possible through government funding alone.

This month, we celebrate the generosity of those who have made legacy gifts—and invite others to consider how a simple act today can make a lasting difference tomorrow.
